

ACADEMECIAN PROFESSOR J. A. ORLOV

12th June, 1899 to 2nd October, 1966

In the death of Prof. Orlov, the Palaeontological Society of India has lost one of its most esteemed Honorary Fellows who was keenly interested in the advancement of the aims and objectives of the Society and was always actively associated with it. He was the recipient of the Tata Memorial Gold Medal of the Society for his researches in Vertebrate Palaeontology and cognate fields.

The Fellows, and Office Bearers of the Society and Indian Palaeontologists record their deep sense of sorrow and extend their heartfelt condolences to the members of the bereaved family, and the Soviet Geologists and Palaeontologists at the irreparable loss.
