

ANNOUNCEMENT

The Department of Geology, Periyar University, Salem is organizing a National Seminar on “***Recent Developments and Opportunities in Exploration Geology & Geoinformatics***”.

The main objective of this seminar is to bring academic professionals, industrial scientists, technocrats, software engineers and students on one platform to discuss the recent developments and opportunities in Exploration Geology and Geoinformatics. The seminar will be highly useful to the students and scholars to develop their skills in emerging areas of Geological Sciences and look for career prospects. You are requested to participate and contribute a paper in the seminar. Interested participants may please contact:

Prof. S. Anbazhagan, Convenor
Dr. R. Venkatachalapathy, Co-Convenor
Dr. R. Neelakantan, Organizing Secretary

National Seminar on **Emerging Trends of Research in Geology with Special Reference to Northwestern India**

The Department of Geology, M. L. Sukhadia University, Udaipur is organizing a National Seminar on “**Emerging Trends of Research in Geology with Special Reference to Northwestern India**” on 24th & 25th January, 2007. The seminar will provide an opportunity of enlightening deliberations to geoscientists working in various state and union government departments, universities, colleges, mines, research institutions and other allied organizations. Collectively, it will strengthen our knowledge of Geological Sciences for the benefit of one and all. Interested participants are requested to contact:

Prof. P. Kataria, Convener
 (Mobile: 9414621427)
Dr. P.C. Avadich, Organizing, Secretary
 (Mobile: 9413423421)
